In further reference to our letter of the 9th of September last, I beg to advise you that the Department has received official certificate of the death while on active service of Private Lincoln Moyer, who held the above land under Homestead entry, it now been decided that action will not be taken to have patent for this land issue in the name of the deceased entryman without obligation for the performance of any further settlement duties and without requiring that Letters of Administration be first taken out, subject however to any indebtedness to the Crown which may be registered against the land. overseas during the period of the recent war. Interments have also been made within the area comprised in the said ten acres.

The undersigned is of the opinion that under the circumstances the application should receive favourable consideration and he, therefore, begs to recommend that under the provisions of section 76 of the Dominion Lands Act, 10 acres of land comprised in the south east quarter of section 35, Township 79, range 1, west of the fifth Meridian, in the Province of Alberta, be set apart and appropriated for church purposes and that a free grant thereof be authorized to the Corporation episcopale catholique romaine de Edmonton for the said purposes.

Respectfully submitted,

Minister of the Interior.

26th April, 1921.

To His Excellency

The Governor General in Council.

The undersigned has the honour to report that application has been made by La Corporation Episcopale Catholique Romaine d'Athabaska for a grant for church purposes of ten acres of land comprised in the South East quarter of Section 35, Township 70, Range 13, west of the Sixth Meridian, in the Province of Alberta.

The land applied for is available according to the records of the Department of the Interior, the applicants having been advised in February, 1916, that upon the customary requirements as to the erection of a Church for public worship being satisfactorily complied with a grant thereof would be authorized and the said ten acres have, therefore, been held under reservation for church purposes since that time, the balance of the said quarter section having been disposed of under homestead entry and Letters Patent therefor having been issued.

Evidence has been filed that a church building has been erected on the land in which public worship is being regularly held, application for Letters Patent having been delayed through the Priest in charge having been engaged in active service

overseas.....

[illegible] on file [illegible]th.

Bishop Cleveland has in different communications to the Department represented that a church building has been erected on the land and has been blessed by him.

15th January, 191[illegible].

Physical disability from active military service.

Please see Mr. Cowan's memorandum of the 29th ultimo, on File No. 3577894, herewith.

The entry having been made subsequent to enlistment, his military service cannot be credited to him as homestead residence.

After consideration of the circumstances of the case, and in view of the report of the Board of Pension Commissioners showing a disability of 20%, due to an injury to right hand, which they state would not unfit the man for farming, I would recommend that [illegible] in a position to [illegible] the performance of a period of six months' residence and the equivalent of [illegible] broken and in crop, or prepared for crop in one season, it be accepted as a satisfactory basis for the issue of Patent - reasonable extension of time to be granted for this requirement.

Sir,

Adverting to your letter of the 17th October last, I [illegible] to inform you that, in compliance with your request, it [illegible] decided to [illegible] to take [illegible] entry for [illegible] quarter section of the E. ½ of section 24, township 6, [illegible], west of the 4th meridian, containing 161.0 acres, [illegible] in lieu of the south of section [illegible] in case it be reserved to the Crown".

It will be necessary, [illegible] [illegible], to [illegible] [illegible], and [illegible] in [illegible].

According to other decisions of the Department of Justice, if a similar condition is brought about as the result of drainage, the reclaimed land in a case such as this would be vested in the Crown and available for disposal.

If these decisions are applied to Mr. Faulkner's case he apparently is entitled to all the dry portion of the quarter section, viz: 105.1 acres, excluding the portion which he already owns. This, I submit, would not be just to the public as represented by the Crown; the area is too great.

Will you please tell me whether I have correctly interpreted the law governing such cases in order that I may submit Mr. Faulkner's application to purchase this land for the Deputy Minister's consideration. Please see reference 547537 hereunder, in which the Commissioner of Irrigation states his opinion of this case.

MEMORANDUM:

Mr.Rothwell.

On the 26th May, 1906, Mr.W.C.Faulkner was permitted to purchase the fractional S.W.¼ of section 24, township 6, range 1, west of the 4th meridian, containing 7.5 acres. The sale was made under the irrigation system and the land has been paid for in full and patented.

Mr.Faulkner also purchased the N.E.¼ and the fractional N.W.¼ of the said section 24, the former containing 160 acres and the latter 152 acres. These lands have also been patented to him. Mr.Faulkner alleges that part of the S.W.¼ of section 24 once covered by water is now dry and he asks to be permitted to purchase it.

A traverse of that portion of the lake affecting the S.W.¼ of section 24 was recently made by a departmental engineer and a blue print thereof may be found in an envelope hereunder. This traverse shows that 112.6 acres of this quarter section are now dry. This area includes 7.5 acres already sold to Mr.Faulkner and leaves 105.1 acres of dry land apparently available for sale.

According to rulings by the Department of Justice "the grantee of a parcel fronting on a lake "or river acquires not only the land actually surveyed "but also the right to future additions which may "result from gradual alluvion or dereliction resulting

I beg to acknowledge the receipt of your letter of the 26th instant, respecting the application of Mr. W.C.Faulkner to be permitted to purchase all that portion of the S.W.¼ of sec. 24, tp. 6, rg. 1, west of the 4th meridian, not covered by the waters of a lake and not included in a certain sale to him under the irrigation system.

With regard to the spring creek, which on the original plan filed is shown as running into the lake but on Mr. Duffield's traverse plan is not shown as running into the lake, I beg to say that I took this matter up verbally with Mr. Duffield at the time he visited. Mr. Duffield informed me that the creek does not reach the lake but spreads out over the land.

It is noted that I will be advised at a later date as to whether or not the land will be sold to Mr. Faulkner.

S.S. - 13.

I have the honour to acknowledge the receipt of your letter of the 13th of June last, -535646 T & M- upon the subject of the application of Mr. W. C. Faulkner, to purchase a portion of the S.W.¼ of Sec.24-6-1-W.4th M. formerly covered by the waters of Froome Lake. It appears that the surveyor General suggests that the difficulties arising in connection with this section, in view of the fact that Mr. Faulkner may be entitled to the land he now applies for, under the patent already issued to him, may be solved by issuing a patent to him in the nature of a quit claim, and you ask for a draft of such a patent if I agree with his suggestion.

In reply, I beg to state that, in my opinion, the lake as it existed at the time the applicant received his patent, a year or two ago, constituted the southern boundary of the land as patented to him, and the accretions formed since the date of the patent also belong to him if the waters of the lake receded gradually and imperceptibly. As, however, he is willing to pay for the area comprising the land left dry since the survey in 1902 and the Registrar refuses to issue a certificate of title in respect of such area without an additional patent, the easiest solution of the matter is to issue a patent such as the surveyor-General suggests. In such cases, however, the title to the lands already patented should be

I am sending you herewith, for reference purposes, a copy of certain correspondence relative to the application of Mr. T.C.Faulkner for permission to purchase a portion of the [illegible] of section 24, township 6, range 1, west of the 4th meridian, not included in the grant of 71 acres already made to him.

You will note that the point at issue is whether or not Mr.Faulkner automatically became the owner of the remaining lands in the said quarter section which had become dry as the result of the gradual recession of creek like, or whether the department would be warranted in selling to him the said area. The decision is, as you will observe, that, notwithstanding the fact that Mr.Faulkner would, in accordance with a ruling of the Deputy Minister of Justice, automatically become the owner of the lands which had thus become dry, it is not considered good policy to grant such lands to him free of charge, and that the department is willing to sell the area at a valuation for more and to issue title in the form shown in the attached correspondence.

I am sending you this correspondence in order that you may keep it for reference purposes.

General Remarks Continued: -

Sir,-

In reply to your letter of Jan .11th. 1919, I beg to say that upon visiting this land , find a considerable portion of it covered by a slough or lake, which during each spring floods practically the whole quarter, making it unfit for agricultural purposes, but making it specially valuable for grazing . Entrant has about 5 acres of breaking on it at present, but even that is not good agricultural land, while balance of the land which does not flood is rough and rocky. would suggest that entrant be allowed to substitute stock, in lieu of cultivation duties.

EDMONTON,
August 19th, 1937.

Sir:

Re: S.W.¼ 24--6--1--4. 4th Mer.

Upon dealing with the South West quarter of Section 24, Township 6, Range 1, west of the 4th Meridian, I find that on the 5th of February, 1912, the following described area was granted to William Corbett Faulkner:

All that portion of the west half of Section 24, Township 6, Range 1, West of the 4th Meridian, which lies to the North of the North shore of Green Lake as shown upon a plan of survey approved on the 16th day of April, 1902, by Edouard Deville, containing 159.50 acres, more or less.

On the same patent the North East quarter of Section 24 was also patented.

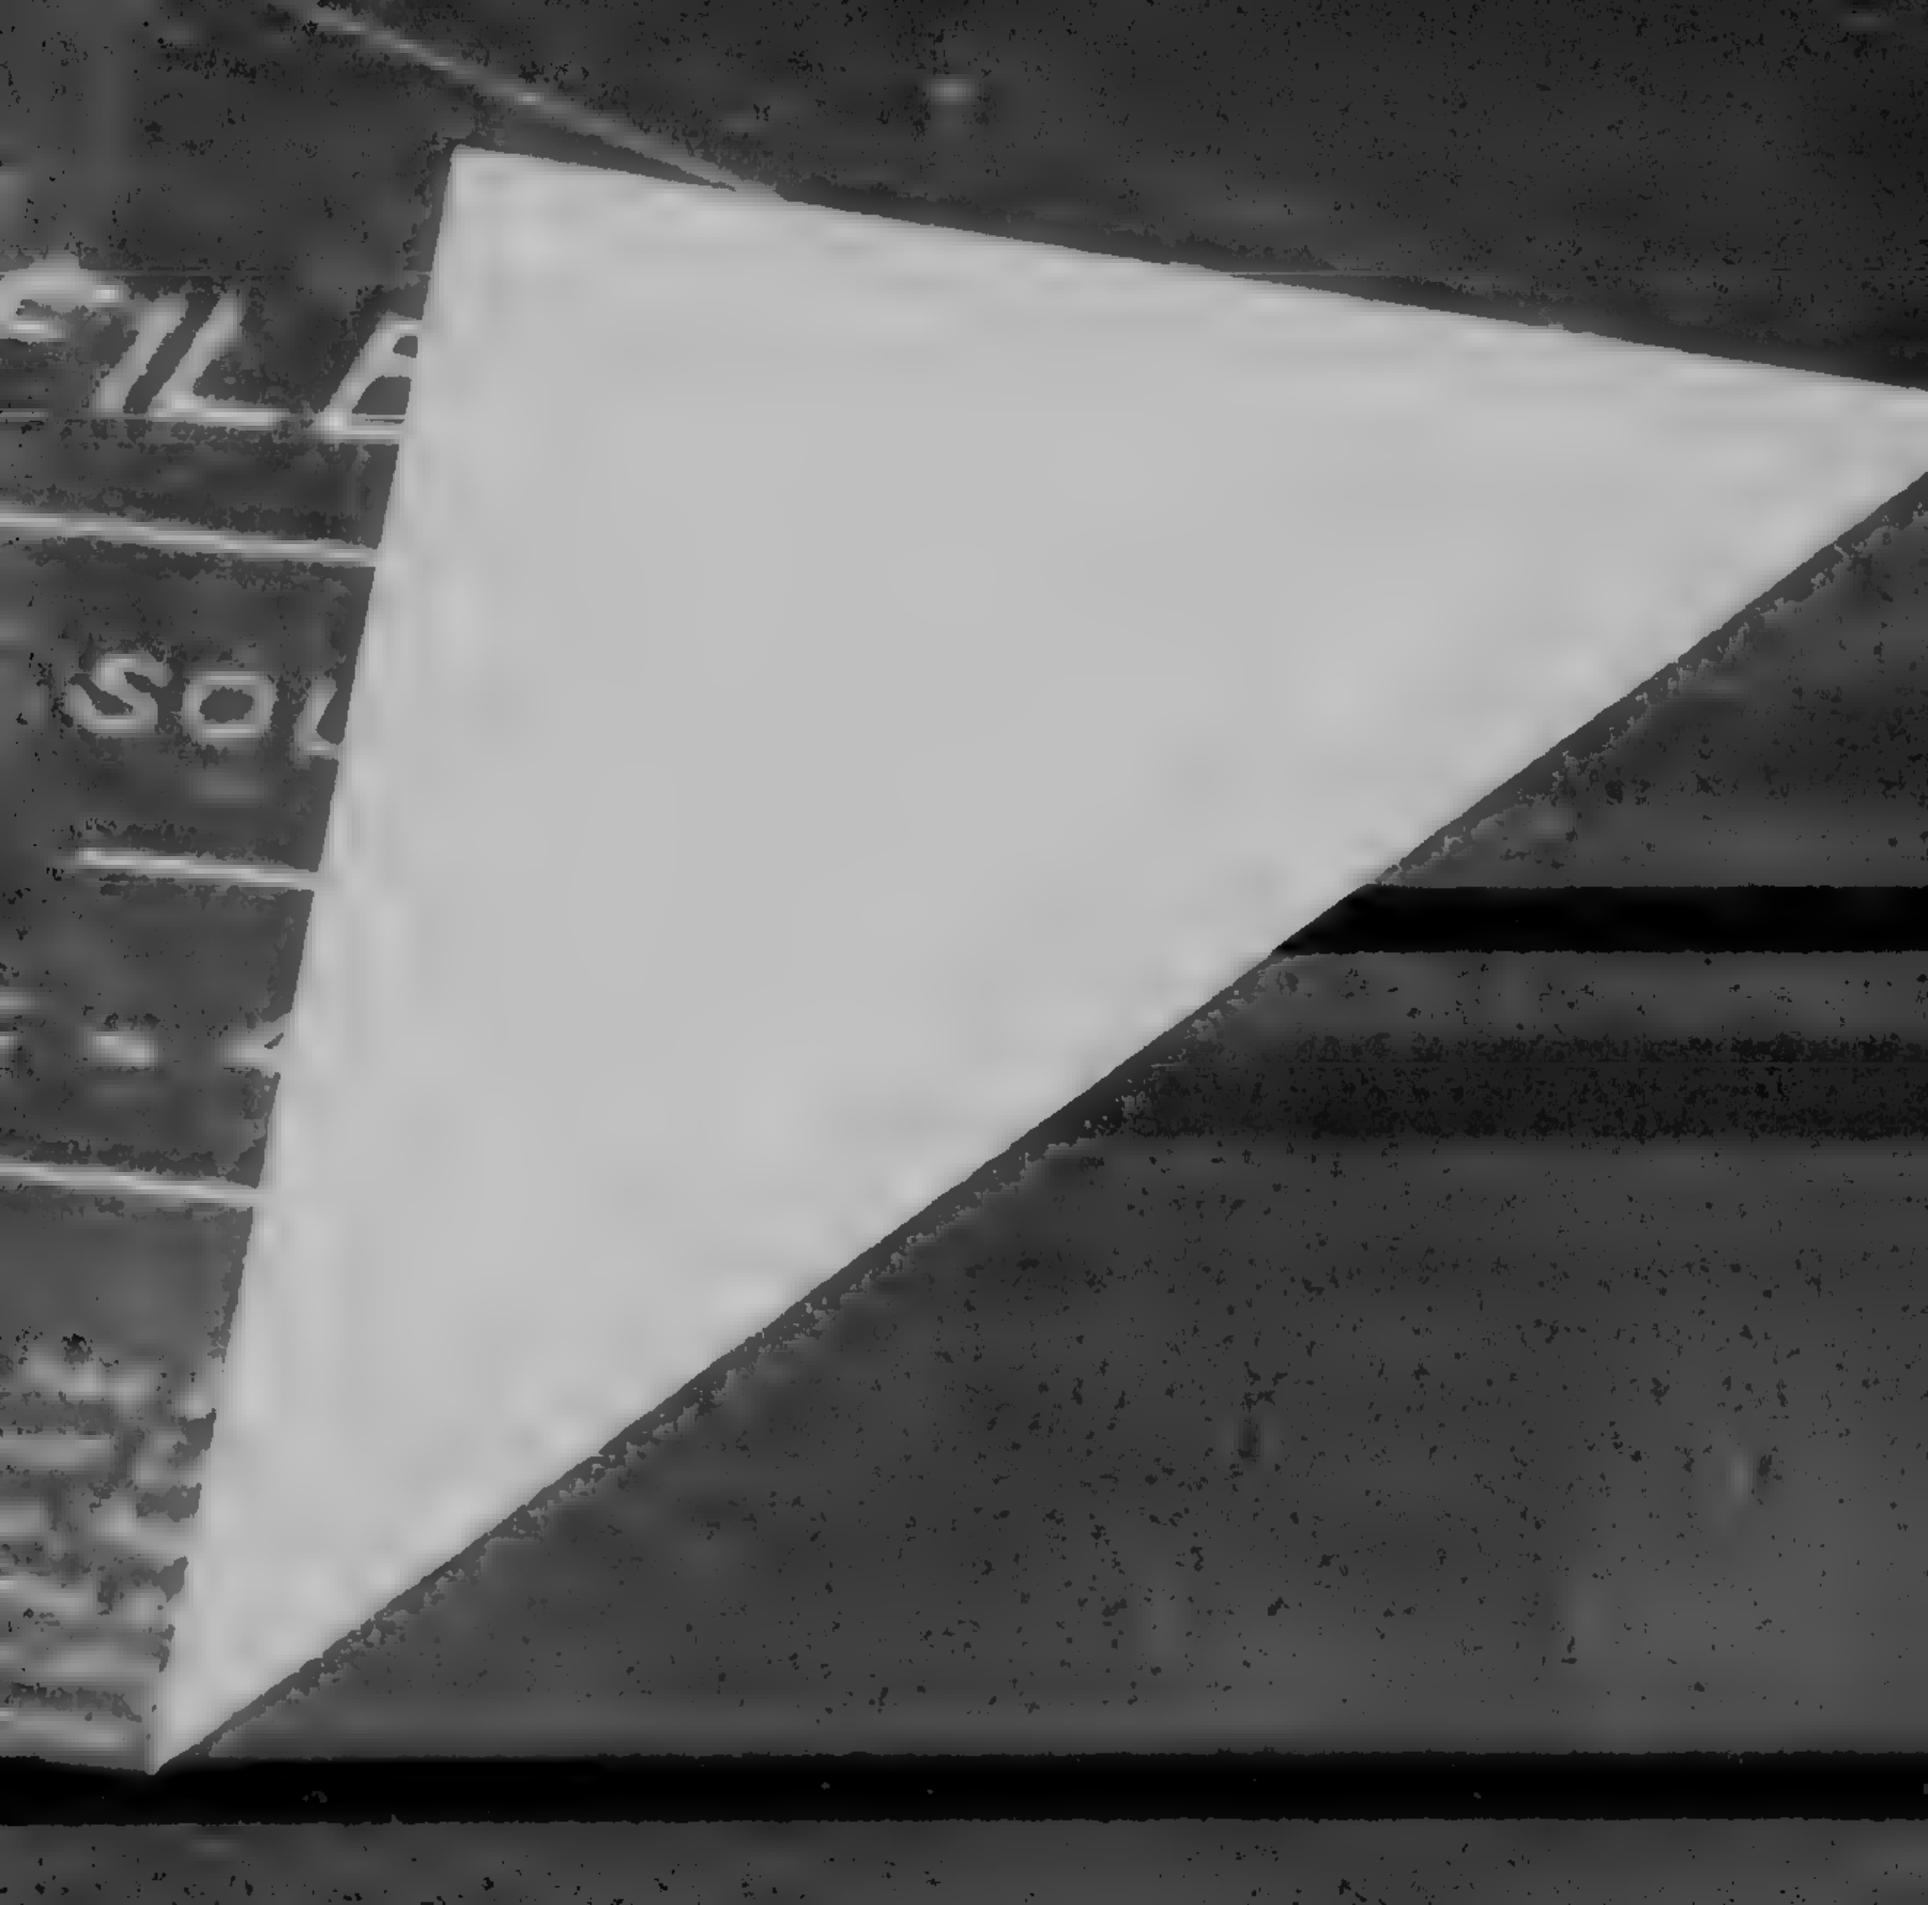

At a later date on the 23rd of January, 1923, William Corbet Faulkner was granted Title to Legal Subdivisions 5 and 6 and the North halves of Legal Subdivisions 3 and 4 of Section 24, Township 6, Range 1, west of the 4th Meridian, according to the plan of survey approved on the 29th day of September, 1913, by Edouard Deville, containing 120.70 acres, more or less.

From the foregoing you will notice that the latter patent includes two portions of the South west quarter of Section 24, North of Green Lake, which were already patented in the previous patent. This matter is brought to your attention so that you may take the necessary steps to amend the latter patent.

Yours very truly,

T. M. DALKIN,
Supt. Technical Division.

Memorandum:

Mr. Turner.

Re Sec. 24-2-1-W.M.

Wm. Cornet Faulkner obtained patent dated 16th September, 1913, for the W½ of Sec. 24-2-1-W.M. North of the north shore of Grass Lake containing 155.00 acres, and the NE of the same section containing 160 acres, in all 315.00 acres under Time Sale No. 7668

Plat was approved 1st April, 1908, on which the patent was issued on 20 that 1.0 and 6 acres, or 7.0 in all, were situate in the SW½ of the section (see sketch marked).

On the 23rd January, 1913, under purchased Homestead No. 7773 patent was issued to Mr. Faulkner for L.S. 5 and 6 of the NW, L.S. 3 and 4 of the same section on a plan dated the 15th September, 1913, containing 155.75 acres.

It would appear therefore that patent was issued twice to Mr. Faulkner for the 7.0 acres in L.S. 5 and 6 and Mr. T.W. Dalkin, Superintendent of the Technical Division of the Department of Lands and Mines at Edmonton asks that we take the necessary steps to amend the later patent.

You may wish to refer this to the Solicitor's Department for an expression of opinion as to the method in which this matter may be cleared up.

Ottawa, 14th January, 1918.

Memorandum: Mr. Dunn.

Re East half 36-1-4- 4th M.
Homestead & pre-emption
Theo. W. Duncan.
(Patented).

East half 1-47-4- 5th M.
Applied for in exchange under
Order in Council 11th May, 1917.
P.C. 906.

In connection with representations submitted by, and on behalf of, Theo W. Duncan of Melfort, Alberta, designed to obtain recognition by the Department of his claim to a transfer from the Ry. Belt by Order in Council of the 11th May, 1917. P.C. 906, an exchange of land was approved.

In this connection Mr. Duncan has applied for an obtained a provisional reservation of the East half 1-47-4- 5th Mer., in the Edmonton Land District, and he has now completed transfer of title to his patented homestead and pre-emption to the Crown, free of encumbrances.

However, in connection to the exchange, the conditions under which Mr. Duncan should be permitted to acquire his new holding have not been determined. In this connection please see the Deputy Minister's memorandum of the 22nd May, 1917, marked on file No. 2447381.

Mr. Duncan is an elderly man, more than 65 years of age, and he has resided in the Melfort district continuously since 1911, when he took up his homestead and pre-emption as shown by the evidence on file to have made very substantial improvements, and his primary reason for leaving the district is because of unfavourable climatic conditions, and the fact that the majority of his neighbours have been already compelled to abandon their holdings on this account. In addition to his ordinary improvements, Mr. Duncan is stated to have a grove of young trees which he has fenced and in opening negotiations with the Department for an exchange, he undertook to allow the fence to remain for the protection of the trees.

Under all the circumstances of the case it would appear that Mr. Duncan should not be called upon to perform settlement duties over again in connection with his new location. In any case, the land selected is outside the former pre-emption area, so that if duties are required one quarter-section should be recorded in his name as a homestead and the other as a time sale, subject to homestead duties. But in that case the money paid on account of his former pre-emption would require to be transferred as a payment on the new location. Bearing these facts in mind, it is suggested that Mr. Duncan be granted letters patent for the half-section without further duties, the wording of the Order in Council authorising the exchange being sufficiently broad to take

on that interpretation.

With regard to the disposal of the west half 36-1-4- .4th Mer., since obviously the land is not of a class suitable for agricultural purposes, the question of posting for homestead entry does not arise and under ordinary circumstances it would be in order to make the land available for leasing under the grazing regulations.

However, Dr. L. J. Clarke, Agrostologist, of the Forage Plants Division of the Experimental Farm, called at the Department recently to enquire if the land could be obtained for experimental purposes. I understand that Dr. Clarke's head quarters are at the Experimental Station, Swift Current, and he is evidently familiar with local conditions. Under the circumstances, it is suggested that the matter should be taken up with Dr. L. S. Archibald, Director of the Experimental Farms, and that he be requested to make formal application for the land, supported by a statement as to the scientific value thereof for experimental purposes.

Sir,

Re East half 36-1-4- .4th M.
Patented homestead & pre-emption -
Revested in Crown.

East half 1-47-4- .5th M.
Selected in exchange.

I am to acknowledge your letter of the 15th December last, covering Duplicate Certificate of Title No. 37 I.145 of the East half of Section 36, Township 1, Range 4, West of the 4th Meridian, in favour of His Majesty in the right of Canada, together with tax receipts, and in reply to say the transfer has been duly noted in the records of the Department.

I may add that letters patent will now be issued in your favour for the East half of Section 1, Township 47, Range 4, West of the 5th Meridian, in full satisfaction of your right to compensation for the lands surrendered, in favour of the Crown, as aforesaid, and you will be further advised in the matter in due course.

Being mindful of the circumstances attending reversion of title of your homestead and pre-emption, and the necessity for completing arrangements for the disposal of your crop, the Department will offer no objection to your continued occupation of the East half of Section 36, Township 1, Range 4, West of the 4th Meridian, until spring, it being understood that you make it your business to report when you do vacate. In the meantime, the question of the disposal of this land for experimental purposes is now under consideration.

Your obedient servant,

Secretary.

LANDS, PARKS

Dear Sir:-

Re: James Wilson Hamilton
NW.16-22-1-W.4th

Under date of September 27th, 1918, S.S.Form 27 No.395 was forwarded your Department requesting the registration of a charge against the above described land.

In this respect I am directed to advise you that the charge so created may now be released as the land is only considered of nominal value and is not now required as security.

Yours very truly,

Superintendent,
Estates and Securities.

PJ:P.

10th May, 1939.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

The undersigned has the honour to report:

That Section 13 of the Alberta Natural Resources Transfer Agreement (ratified and given the force of law by the British North America Act, 1930) provides that all interest in Crown lands in the Province, upon the security of which any advance has been made under the provisions of the Soldier Settlement Act and amending Acts, shall continue to be vested in and administered by the Government of Canada for the purposes of Canada; and

That a charge made against the North West quarter of Section 16, Township 22, Range 1, West of the 4th Meridian, to secure loans advanced under the Soldier Settlement Act prior to the transfer of the natural resources, was recently withdrawn.

The undersigned is of the opinion that it would be in the public interest to place the Province of Alberta in a position to administer this land along with those already transferred, and, therefore, begs to recommend that the interest of the Crown in the North West quarter of Section 16, Township 22, Range 1, West of the 4th Meridian, in so far as such interest is now vested in the Crown in the right of the Government of Canada, be transferred to the said Province, subject to any trusts existing in respect thereof, and to any interests other than that of the Dominion in the same.

Respectfully submitted,

Minister of Mines and Resources.

Precis for the Clerk of the Privy Council.

Recommending the transfer to the Province of Alberta of the Dominion's interest in the North west quarter of Section 16, Township 22, Range 1, west of the 4th Meridian, the pre-emption entry of James Wilson Hamilton. The charge created against this land to secure loans advanced under the Soldier Settlement Act has been withdrawn.

Two certified copies of any Order in Council which may be passed in this respect should be forwarded to the Deputy Minister of Lands and Mines, Edmonton, Alberta.

Patented Homestead of Joseph Sydney Hamilton.

I beg to acknowledge the receipt of your letter dated the 1st ultimo, reference 19031, with respect to Mr. Hamilton's application for patent for his pre-emption, and in this connection to inform you that unless Mr. Hamilton makes payment for the land in full or applies for an extension of time in connection with his Certificate of Recommendation before six months have elapsed from the date he left his homestead, if he has done so, it will be necessary for him to place himself in good standing in this particular by performing a further term of six months residence.

When Mr. Hamilton made application for patent on the 19th April, 1920, while this land stood as a Soldier Grant in his name, he was only able to show the completion of the requisite residence duties in each of four years, counting both as military service and actual residence performed upon the land. He will also be required to show that he is in good standing in regard to cultivation duties.

Sir,

E. ½ 16-22-1-W.4th M.

I beg to acknowledge receipt of your letter of the 12th instant together with an application for patent made before Mr. H.H. Hall, J.P., on the 12th instant (under Departmental authority of the 25th March last).

This application for patent, which is filed for the purpose of showing the duties performed by you up to the present time, would require to be supplemented by the following:-

1. Proof of ownership of your patented homestead upon which your residence was performed (E. ½ sec.1, Tp.22, R.e.1, west 4th Mer.). This proof may be submitted in the form of an abstract of title to be obtained by you from the Land Titles Office for the district and forwarded to this office.

2. A declaration on the enclosed form 325 properly executed before a Commissioner for taking affidavits, setting forth particulars of your present land holdings. This is necessary because of the provisions of the regulations set forth on page 38 of the enclosed handbook.

Upon receipt of the foregoing your application for patent will be further considered, the object being to establish that you have completed the necessary duties attached to a soldier grant entry. Upon such proof being satisfactorily completed, the Department would then be in a position to convert your pre-emption into a soldier grant in the records of the Department without requiring you to reconvey the land, a patent for which was issued to you on the 12th February, 1921, as a pre-emption.

I beg to acknowledge receipt of your letter of the 12th instant together with an application for patent made before Mr. H.H. Hall, J.P., on the 12th instant (under Departmental authority of the 24th March last).

This application for patent, which is filed for the purpose of [illegible], requires to be supplemented by the following :-

1. Proof of ownership of your [illegible] upon which your residence was performed (S.D.A. Serial, F.P.22, K.g.1, West 4th M.r.). This proof may be submitted in the form of an Abstract of Title to be obtained by you from the Land Titles Office for the district and forwarded to this office.

2. A declaration on the enclosed form (A), properly executed before a Commissioner of Oaths, affidavits, setting forth particulars of your present land holdings. This is necessary because of the provisions of the regulations set forth on page 33 of the enclosed handbook.

Upon receipt of the foregoing your application for patent will be further considered, the object being to establish that you have completed the necessary duties attached to a soldier grant entry. Upon such proof being satisfactorily completed, the Department would then be in a position to convert your pre-emption into a soldier grant in the records of the Department without requiring you to repurchase the land, a patent for which was issued to you on the 12th February, 1921, as a pre-emption.

Mr. Cory,

N.S. 27-11-3-W. 3rd M.
Pre-emption - Reuben North.

Please see Mr. Lochman's memorandum of the 16th instant, on file 1774520, herewith.

In this case it is shown that the residence requirements to obtain patent for the pre-emption were completed by virtue of military service. Under the circumstances and in accordance with the strict interpretation of the Regulations Mr. North should reconvey his pre-emption to the Crown before conversion of entry into a soldier grant and refund of the purchase price could be effected.

The Abstract of Title shows the land is subject to a mortgage for the sum of $2000.00, which would under any circumstances make it difficult to reconvey and as he has now submitted evidence, corroborated by two witnesses, that since making application for pre-emption patent he has lived on his patented homestead a sufficient length of time to credit him with six full terms of residence, I would recommend that such evidence be accepted as establishing his claim to conversion of entry and refund of purchase price without being called upon to reconvey the land to the Crown.

If you approve I would recommend that this ruling be applied in all cases under exactly similar conditions.

Sir,

I beg to acknowledge the receipt of your communication dated 2nd June last, accompanied by several documents in connection with your proposed conversion of your pre-emption for the above described quarter-section into a soldier grant.

[illegible] as evidenced on file in the form of an application for patent covering this land as a soldier grant entry would indicate that you have completed entitlement sufficient to entitle you to patent for this land as a soldier grant, it has been decided to carry out the transfer in departmental records without requiring you to receive the title of the land to the Crown.

The grant of pre-emption patent at Lethbridge is, by a copy of this letter, being instructed to note the transfer of this land to a soldier grant entry in its records. Similar action will be taken in departmental records.

A refund of the amount paid by you on account of the purchase price of this land as a pre-emption will be forwarded to you in due course.

purchase such parcels on the grounds that as the Company's title to lands accruing under the Deed of Surrender and the Dominion Lands Act would differ materially from a title in virtue of purchase, a serious objection to the proposal to purchase at once appears. He also emphasizes the fact that the Company in respect of its dealings in land is only realizing its estate and is not engaged in the purchase and sale of lands as a business.

As the Company has sold this parcel of [illegible] acres and is anxious to deliver title, I think, that without prejudice to the settlement of the general question of the additional areas resulting from the irvine [illegible] lands, that this parcel which Mr. Thomson is anxious to dispose of, might be debited to the Company in the Land Account which would be satisfactory to Mr. Thomson, and any other similar parcels can be dealt with on their merits or in such a way as may be decided on later.

With respect to the Land Account I may say that although at the present time the Company may have received more land than they are entitled to at this date still [illegible] one-tenth of the whole fertile belt will account to more land than they have already received and the Department would be amply protected in debiting this parcel in the Land Account and as Mr. Thomson is very desirous of dealing with this parcel, I think possibly this might be done.

Respectfully submitted,

Controller.

OTTAWA, 15th September, 1914.

MEMORANDUM:-

I beg to return your Ref. 13739, with the papers relating to the case which you sent me, which papers could not be found at the time my memorandum of the 8th instant was prepared.

The matter has been further looked into and I beg to report as follows:-

Re claim of the Sisters of Providence to land at Lesser Slave Lake.

Rev. Sister Marie-Amélie claimed before the Halfbreed Commission of 1899 a parcel of land situate on the South side of Giroux Creek, at about one mile from Buffalo Lake, extending along the creek from East to West at half a mile and from North to South from the Creek about one mile.

This parcel appears to correspond with the N.W.¼ 26-75-15, West 5th Meridian which was entered for on the 12th June, 1911, by John O. See. The Agent of Grouard reported on the 11th November, 1911 that Father Giroux had previously informed him that this quarter section was claimed by the Sisters before the Halfbreed Commission and that at the time of survey he had informed Surveyor Selby of this fact verbally, but made no declaration before him. The Sister had been cutting hay thereon every year since 1894. According to Father Giroux, at the time Mr. See entered for the land, the

improvements

J.A. Coté, Esq.,
Acting Deputy Minister
of the Interior.

improvements thereon consisted of-

3 wire hay corrals, valued at.....	$60.00
3 pole hay corrals, valued at.....	75.00
Breaking 1 acre, valued at.....	25.00
Total....	$160.00

The value of these improvements would not appear to have been collected by the Agent as no payment for the same has been reported to the Department.

The S.E.¼ of section 24--75--15, West 5th Meridian, mentioned by Father Falher in his letter of the 6th May last (attached herewith), as the Sisters' (Land does not appear to have been claimed by the Missionary the Sisters prior to the entry granted therefor to E. A. See on the 21st June, 1915.

The S.E.¼ 6--74--13 West 5th Meridian, now applied for by the Sisters in compensation for the land originally claimed by them is vacant and available.

As pointed out in my memorandum of the 8th inst. this branch, but there appears to be no authority under the Dominion Lands Act under which [illegible] to make [illegible] in lieu of the [illegible] is worthy of consideration, the quarter section now applied for-S.E.¼ 6--74--13, West 5th Meridian, might be sold to them with the approval of the Minister at a nominal rate of $1.00 an acre.

In this connection your attention is also called to my memorandum of the 22nd May, 1914, returning to file No. 214342, which is one of the files you sent to me and which you state has been held in the Deputy Minister's office for submission to the Minister.

Respectfully submitted,

(Sgd.) N.O. Coté.

Please see declaration hereunder (Ref. 5084834) dated the 29th October last from Margaret E. Williams, Minneapolis, Minn., U.S.A., requesting the removal from her title to the S.½ of 7-4-15-W.4 of a lien for $17.85 which appears to be the one executed at Lethbridge on the 20th May, 1915, by William Williams on the security of his part of Sec. 24-8-21-4. A comparison of the signature of the said debtor with the tracing enclosed by the Registrar of the signature of Margaret E. Williams' father, William W. re S.½ 7-4-15-W. 4th M.

With reference to your letter of the 24th ultimo, relative to a lien for $17.65 registered against the above described land, and referred to in a declaration made by Margaret L. Williams of Minneapolis, Minnesota, U.S.A., forwarded here by Mr. Wright Williams of the same place, in which it is alleged that the said lien for $17.65 wrongfully claims the title to this land, I beg to say the records here show that this lien was given by one William Williams in connection with Section 14-6-21-W. 4th M., and should not cloud the title to the first above described land.

You are, therefore, hereby authorized and requested to remove from the title to the said the S.½ 7-4-15-W. 4th M., the lien in question for $17.65, which appears registered against it in duplicate.

Mr. Williams is being advised of this action.

Re: Account of W. Will,
L.S. 3-4 Sec. 24-2-21-W.4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In July, 1951, seed grain amounting to $1,[illegible] was advanced to W. Williams on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$1[illegible].8[illegible]	$[illegible]4.87	$[illegible]..72

The L.S. 3-4 Sec. 24-2-21-W.4 was registered in the name of a Mr. L. A. McMerrichen at the time an advance of seed grain was obtained by a W. Williams. At the time of obtaining the advance the lienee held an equity in the land. Later representations by the registered owner authority was issued on the 14th of February, 1[illegible]4 re-vesting the land in the name of the lienee. The indebtedness was since re-filed as a charge against the land. The lienee under his personal covenant.

The whereabouts of the original lienee is now unknown and it is considered that there is no possibility of collection.

As the land is no longer registered against the lienee there is no further security for our advance, it is recommended that the indebtedness be cancelled.

Sir,

Re M.& S.W. of 11-5-22-W.4th
James A. Meldrum.

The following is the contents of a report forwarded by the agent of Dominion Lands, Lethbridge:-

crop of 100 acres uncut.

"This grain is heading and should average about 25 bu per acre. Mr. Meldrum has 175 acres in crop on some rented land. It has quite a few weeds in it."

General Remarks:-

Mr. Meldrum told me that he only sold 500 bus. of his wheat for seed at $1.50 per bu., the balance was shipped about one month ago. The Bank of Montreal are taking the proceeds from the grain that was shipped, they take the crop and don't divide with anyone. His intentions are to pay and I thought the bank would be willing to divide with his other creditors. Under the conditions I would recommend an extension until after harvest."

It will be noted that this account is a lease proposition with considerable unpaid interest, and you may deem it advisable to communicate with the Manager of the Bank of Montreal, personally at Calgary when some arrangement might be made for a division of the proceeds of the crop and it might be impressed upon him as to the priority of our liens.

Dear Sir,

Re W½ and SW¼ 11-5-28, W.4th Mer.
- James A. Melfrum -

In reference to yours of the 7th instant, file No. 365307, regarding seed grain indebtedness against the above, I beg to say I have been no action with same. Mr. Wright has been attending to this work for us, but during the harvest season he was off duty for a considerable time on sick leave. I personally saw to some back fall plan up a few files I had on hand, but he was unable to attend to the above.

I thought it best to have Mr. Wright visit the district and discuss the matter with the Manager of the Bank of Montreal rather than write to him, as I felt we would get no where unless we had a personal interview.

I presume the crop will now be marketed, and the matter will have to stand over until next season.

I expect Mr. Wright to report early in the end of this week.

Yours respectfully,

James Meldrum and Norrie Neilson.

Dear Sir:-

In reply to your letter of the 3rd instant, I beg to advise you that I have no record of seed grain indebtedness against Norrie Neilson in connection with the lands above described, but under date of the 6th November, 1929, the Registrar, Calgary, was requested to remove a lien for $84.00 from title to the .½ of N.½ L.S. 1- Sec.22-5-22 W.4th, the lien having been given by Wells C. Neilson, and registered in the name of N. Neilson. Please advise the amounts of the liens now registered, and against which particular parcel of land.

A statement of the indebtedness of James A. Meldrum is attached.

Security

N.½ & S. .½ 11-5-22 W.4th .

These three quarters were given as security for the liens of James A. Meldrum, and is patented land. According to reports on file, Mr. Meldrum had good crops in 1924, 1925 and 1926, but most of the proceeds went to the Bank of Montreal to cover loans. In view of these reports, and as the liens had priority, a seizure was made, resulting in the payment made in 1927. There is no information as to the value of the land. Mr. Meldrum had heavy expenses in 1930 for sickness in his family.

I would suggest that a careful examination be made to ascertain if, payment in full not having been made, the land against which the Lien was originally registered, namely, the S.½ 22-5-22 W4th, is the proper security for the advance in question to the said Noril Neilson.

In any event, I feel convinced that the Lien is wrongly registered on the Certificate of Title to the land described in the reference line above, and I would suggest that in any event the Lien be withdrawn from the Certificate of Title to that land.

Mr. James A. Meldrum, the present registered owner of the land, described in the reference line above, is asking for removal of the Lien. He bought the land from a Mr. A. Wood, who, according to my search of the Certificate of Title, was the registered owner at the time of registration of the Lien aforementioned.

Dear Sir: Re - Your file 3554307. Noril Neilson.
The Northerly three-quarters of the S.½ of Legal Sub-Division 8 of Section 22, Township 5, Range 22, West of the 4th Meridian, containing 15 acres more or less.

Referring to your letter of the 19th ultimo, I would inform you that I have examined the original Instrument numbered 1753 B.L., which includes a Lien for a Fodder Advance of $84.00 charging the S.½ 22-5-22 W4th.

I have also examined all the Certificates of Title which were in force in respect of the S.½ 22-5-22 W4th at the time of the registration of the Instrument. There were, in fact, seven Certificates of Title, as the half section had been sub-divided. On none of those Certificates of Title was Noril Neilson the registered owner of the land affected by it; moreover, there is nothing to indicate that he had an interest in any of the land.

It would appear to the writer that it is not improbable that there is an error in the description of the land in the original Lien. This Lien is shown on Page 17, List 1 of the Instrument in question.

I would point out that the name given in the Lien is distinctly Noril Neilson and not Neils C. Neilson, whose name also appears on Page 5 of List 1 of the Instrument in respect of an advance of $84.00, for which a Lien is to charge the E.½ 12-6-23 W4th.

I would suggest that careful examination be made to ascertain whether or not the indebtedness secured by the Lien in the name of Noril Neilson has been paid. If it has, could not the Lien be withdrawn from all the Certificates of Title affected by it and covering any portions of the S.½ 22-5-22 W4th?

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

P.C.No. 2754.

WHEREAS by Order in Council dated 3rd July, 1920, (P.C.1475.) provision was made for the withdrawal from sale, settlement or disposal for any purpose, both in respect of the surface and mining rights, of certain described lands situated on the Athabaska River, in the Province of Alberta, containing a deposit of tar-sands, which, according to a report submitted by R. G. Wells, Chief Officer of the Department of Lands, have an overburden of less than sixty feet;

And whereas a list of additional lands in the same vicinity, suitable for tar-sand development, which would not appear to be valuable for any other purpose, has now been submitted,-

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of the Interior, is pleased to order and it is hereby ordered that the portions of the following described lands which are still the property of the Crown, be for the present withdrawn from sale, settlement or disposal for any purpose, but in respect of the surface and mining rights, subject, however, during the period of their currency, to leases already granted under the provisions of the Petroleum and Natural Gas Regulations for exploration in the lands described, and subject also to the permission granted by Order in Council dated the 3rd September, 1919, (P.C. 1760), and by Order in Council dated the 30th of August, 1920, (P.C. 2477), to the Government of the Province of Alberta to conduct operations with-drilling for the discovery of sodium chloride and gypsum.

14th February, 1923.

Sir,-

Re W. 1/2 sec. - Twp. - Rge. 4th M.

I beg to acknowledge the receipt of your letter of the 2nd instant enquiring why the portion of the above-mentioned quarter section lying east of Horse Creek was not included in your grant for the quarter section, and to say that according to the entry papers on file in this Department the entry granted to you was for 158.60 acres which is the area of that part of the quarter section west of Horse Creek. At the time the entry was granted the practice of the Department was to grant entries only on one side of rivers or streams which had been traversed as in this case.

Moreover, by Order in Council of the 13th November, 1920, the lands in this quarter section together with other lands, which had not been disposed of were withdrawn from sale, settlement or disposal and, therefore, your application for this small parcel which contains thirty hundredths (0.30) of an acre cannot be considered.

Mr. J. W. Martin,
Commissioner,
Dominion Lands Administration,
Ottawa, Ont.

Dear Sir:-

Re:- Licenses covering Bridge Sities, Manitoba. Saskatchewan & Alberta.

I am enclosing a number of Licenses covering Bridge Sites in the Western Provinces, all of which call for a yearly rental of $1.00, and one or two a yearly rental of $1.00 and all taxes. I have been asked by Mr. E. E. Fairweather, Counsel, to make an application to you to have these documents amended by stricking out all reference therein to rentals. The total amount involved is only $8.00 but the cost for book-keeping, postage, & in keeping record of the items must practically eat up the amount collected yearly by the Department. I should be glad, therefore, if you agree, that you delete the reference to rental from the Licenses, have them initiated and return. Following is a list of the Licenses:

1. The Can. Nor. Rly. Co.	Mch 20/19	Assiniboine River	Kamsack Sask.	$1.00
2. Can. Nat. Rly. Co. (Certified copy only)	Jan 19/27	South Sask River	South Alberta	1.00
3. The Can. Nor.Rly.Co.	Dec. 1/17,	Red Deer River	Red.Dear ,Alta.	$1.& Taxes
4. Can.Nor.Alta.Rly.Co.	May 23/16,	Athabaska River	Entrance,Alta	$1.00
5. Can.Nor.Western.Rly. Co.	Mch.1/17	Sturgeon River	Coronada,Alta	$1 & Taxes
6. " " " " "	Oct. 14/15	McLeod River	Whitecourt,Alta	$1.00
7.The Can.Nor.Rly.Co.	May 23.16	Elbow River,	Calgary,Alta.	1.00
8. " " " " "	May 8/07	Assiniboine River	Winnipeg, Man.	1.00

License, Item 2 above, is only a copy, the original having been deposited in the Land Titles Office at Moose Jaw. In the event of the deletion being made, I presume alteration of the filed copy at Moose Jaw, could be made by your writing the Registrar for authority to change the copy.

As it was not found possible to deal with this question before the control of the natural resources passed to the Provinces, we are herewith returning the documents which accompanied your communication, namely, licenses of occupation numbered 1177, 1315 (copy), 1165, 1141, 1143, 1134, 1142 and Lease No. 855.

waive the performance of the requisite duties as to improvements and I fail to see what we can do for her under the circumstances, except to allow her, on filing Letters of Administration, to surrender her deceased husband's pre-emption in her own favour as an ordinary homestead, but this would entail her residing on the land for six months in each of three years, and I gather from the evidence submitted that she is not in a position to do this alone with such a small family.

No doubt the Department might seek power by Order-in-Council under section 78 of the Act to waive duties and payment of the purchase price in connection with the pre-emption in a very exceptional case of destitution, provided the person benefited surrendered all her rights as the head of a family to make entry on Dominion Lands under the Dominion Lands Act or Soldier Settlement Act, but this would I fear create an undesirable precedent, which I hesitate, therefore, to recommend as a way to meet the situation.

The only other alternative I could suggest would be a sale of the said section at $1.00 an acre, subject to the surrender of any rights that Mrs. Sumner might have under the Dominion Lands Act or Soldier Settlement Act in the matter of entry in her own name.

Homestead and pre-emption of
Charles H. Cummer, deceased.
Patrics granted 6th March, 1916.

Writing on behalf of the widow of the deceased settler, above mentioned, the President of the North Battleford Branch of the Great War Veterans' Association of Canada, petitions the Department for special consideration in this case.

It appears that the late Mr. Cummer enlisted on the 13th May, 1915, (prior to date of entry and was discharged on the 7th November, 1917, as medically unfit for further service on account of wounds received in action. Death occurred, however, on or about the 16th January, 1919, following influenza complicated by pneumonia. Medical certificates have been furnished by two physicians who attended the late Mr. Cummer, and while both state that death was in no wise due or hastened by reason of the condition of the patient's health as a result of wounds, Dr. J. Ferguson, one of the physicians in question, states that it might be logically contended that a soldier who had been on active service for some time would not have the same resistance to withstand an acute disease as he otherwise would have, had he not been so engaged.

On this statement I recommend issue of patent under Sec. 23 for the 1/4 and for pre-emption

On the 26th October last, Mrs. Cummer was advised that in view of the evidence submitted the Department would be unable to deal with the case under the provisions of section 23 and that it would be necessary for her to complete the duties as to improvements and cultivation, besides paying for the pre-emption at the current rate, before she would be entitled to make application for patent.

It is now represented on behalf of Mrs. Cummer that she is the mother of four young children and has no visible means of support, as since the death of her husband her pension has ceased. Under the circumstances, in the opinion of the executive of the Association it is felt that some special provision should be made for dealing with this case.

Unfortunately, however, it does not appear that the Department has any legal authority to

waive

Dear Sir:-

Re: William Newton Hill,
5-61-1-4th Mer.,
Dominion Lands.
(Separate owner.)

The above named has secured a tax sale certificate from the Dominion Government which, on July 1st, 1941, was made up as follows:-

Principal	$130.00	
Int. to Sept. 1st, 1941.	18.14	
		$148.14

The said certificate will be dealt with by the Board in the manner set forth in Section 36 of the Act, and it is proposed to offer $75.00 in settlement of the claim. In the event of the offer being accepted, the Board will recommend that the Minister of the Interior direct that the certificate be cancelled as against the said quarter section, upon payment of $75.00 to the Receiver General of Canada, and that the Minister of the Interior direct that a patent issue to the owner for the said quarter section.

The owner, upon receipt of the recommendation made by the Board, will be required to pay the sum of $75.00 to the Receiver General of Canada, and upon receipt of the letter, by the owner, the Peel Certain Land Board of Alberta will write the Minister of the Interior, Ottawa, requesting that he direct that a patent issue to William Newton Hill, and upon receipt of the letter from the Minister of the Interior, directing that a patent issue to the owner, the Peel Certain Land Board will forward the said patent to the owner.

I have submitted this matter to the Board and it is the opinion of the Board that the owner is not in a position to pay the above amount of $75.00 at the present time, but that he will be able to do so in the near future. The Board is satisfied that the owner is willing to do everything in his power to perform the terms of the proposed settlement, and in the event of the owner having a value exceeding the value of the land, the Board will have a value exceeding the value of the land.

However, the Board is satisfied that the owner is willing to do everything in his power to perform the terms of the proposed settlement, and in the event of the owner having a value exceeding the value of the land, the Board will have a value exceeding the value of the land.

re:-N.E.¼, 5-24-1-W. 4th Mer.,
William Newton Hill,
Dominion Liens.
(Saskatchewan).

The Seed Grain and Relief Adjustment Board, appointed under Order P.C. 2100, hereby recommends that the Dominion Liens, charged against the N.E.¼, 5-24-1-W. 4th Mer., for advances made to William Newton Hill be discharged, and that the debtor be released from any liability in connection therewith under his personal covenants.

The Board submits the following facts, Seed Adjustment Act, dated November 3rd, 1941, which report gives full details of all liens registered against the said land and gives in support of the recommendation:-

1. That the signatures were made to the letter upon the application of the Provincial Association, as the security of the S.W.¼, 18-23-W. 3rd Mer.

2. That the Board has been advised that the matter of the advances charged against the said land has been dealt with by the Seed Grain and Relief Adjustment Board, of the Province of Saskatchewan, and a recommendation has been submitted that the amount charged against the said land be reduced to the sum of $80.00, and that the said land be released from any liability under the agreements.

3. That it has been reported to the Board that the debtor has secured second homestead entry to the N.E.¼, 5-24-1-W. 4th Mer., and the Board has been requested to recommend an adjustment of the liens charged against this land, as after acquired property of the debtor.

4. .....

4. That it is reported that this land is situate in an extremely dry District and has a very low value, and is suitable only for grazing purposes.

5. That the debtor is without funds and is endeavoring to re-establish himself but has not met with any success.

6. That owing to the low value of the land for which the debtor now holds entry it is not desirable that any portion of the indebtedness for which is made to him in the Province of Saskatchewan be charged against the said land.

7. That owing to the debtor's circumstances it is desirable that he be released from any liability under his personal covenant.

The Board therefore [illegible] that the land be unconditionally discharged, that the total amount payable thereon be written off as uncollectible, in so far as the land situate in the Province of Alberta is concerned, also that the debtor be released from any further liability under his personal covenant.

Chairman, Seed Grain and Relief Adjustment Board,

Dear Sir:-

Re: William Newton Gill,
N.½,5-24-1-W.4th Mer.,
Dominion Lands.
(Saskatchewan.)

The above named man secured a Seed Grain advance from the Dominion Government in the year 1919, the account of which appears hereunder:-

Principal	$198.25	
Int. to Sept. 30/31.	155.14	$353.39

When he obtained this advance the debtor was in occupation of the S.W.¼-18-23-26-W.3rd, which was his pre-emption entry in the Province of Saskatchewan. This entry was cancelled on the 15th of September, 1926.

The Seed Grain and Relief Adjustment Board of the Province of Saskatchewan, under date of August 4th, 1931, recommended that the sum of $80.00 be held as a charge against the S.W.¼-18-23-26-W.3rd, and that after the application of this sum the balance of the indebtedness be written off as a loss and that the debtor be released of his personal liability on payment being received of $80.00 above mentioned, together with whatever interest might accrue thereon.

The Department of the Interior, upon receipt of a recommendation made by the Saskatchewan Seed Grain Adjustment Board advised me that this debtor, William Newton Gill, had removed to the Province of Alberta and that he had secured Second Homestead entry on the N.½,5-24-1-W.4, on the 7th March, 1930 and that the Department of the Interior held the indebtedness as a charge against his land and requested an adjustment by your Board.

I have investigated this debtor's condition and I have ascertained that his financial condition is such that the releasing of his personal liability is warranted. He is entirely without funds and is doing his best to re-establish himself on his Alberta Homestead entry. This land is in a very dry district of the Province and in my opinion he will have to spend and expend monies in order to obtain patent that in themselves will be exceeding the value of the homestead.

He is entirely without funds and in response to my request that he make some payment on the account he replied that he tried to sell his cattle for $100.00 was the best price he was able to secure as an offer.

M.J. Fream, Esq.,

this indebtedness be held against the N.W.5-24-1-W.4th Meridien, and I recommend that no charge in connection with I reiterate the recommendation of the Saskatchewan Seed Grain Adjustment Board, that the debtor be released from liability under his personal covenant.

OTTAWA, 4th November, 1925.

MEMORANDUM

to this country by way of United States) made homestead entry in July 1917 and in due course made application for patent showing the completion of the necessary duties.

The homesteader was called on to furnish his Certificate of Naturalization but on the 28th May last the Secretary of State Department advised that the R.C.M.P. reported that this man died at Lacombe in April last and was buried there.

Messrs. Loggie and Manley have been in communication with the Department on behalf of the estate and were advised in May last that patent could be issued in the name of the deceased. They, however, wrote stating that papers were being prepared for the purpose of getting Probate of the Will, under which the wife of the deceased is the beneficiary.

Letters Probate were forwarded covering the estate of Gustaf Engelbrekt Hallgren. Messrs. Loggie and Manley were advised of the discrepancy in the name and were asked to have the Letters Probate corrected. They now state that they do not think it will be possible for the Clerk of the Court to change the Letters Probate but they think they could secure a declaration that the two names represent the same person.

I am inclined to think that this would hardly be sufficient and that the Department would practically have to insist upon new Letters Probate or Letters of Administration giving the name of the entrant correctly.

If you concur in this view, it could be intimated to Messrs. Loggie and Manley that the patent will now be issued at once in the name of the deceased entrant, leaving it to the estate to take whatever steps are necessary to secure administration.

If this course is not followed there may be some considerable delay in issuing the patent.

Respectfully submitted,

J.W. Greenway, Esq.,
Commissioner of Dominion Lands,
